

COMPUTALOG DRILLING SERVICES

Staff of Machine O Matic,

Jan. 10 2005

Precision Drilling

Over the last few years your company has been supplying us with various parts we use for oil patch applications. I would like to take time to say how much we as a company appreciate the great service, pricing, and consistent quality we have received from you.

I believe that due to this great service, many different companies would benefit from the knowledge and experience you provide.

Thank you,

Chris Coones
Buyer, Planner
